## Library Happenings

Kindergarten has been learning about character actions in books. First grade has been learning setting and character traits. Second grade has been comparing and contrasting similar characters. Third grade has been working putting books in alphabetical and numerical order on the library shelves. Fourth grade has been compiling information about animals from Utah and putting them into an Adobe spark as a final project. Fifth grade has finished up their work on their early explorers. Sixth graders helped the Kindergarten classes with coding during Hour of Code.
